WORK EXPERIENCE

Student Engagement Counselor II, 2U, Denver, CO, October 2019 – Present
- Develop programming for roundtables and class visits for prospective students
- Develop best practices for our SaaS intercom system to ensure student questions are fielded
- Coordinate and host informational webinars with over 100+ attendees
- Train Admissions Counselors on student-facing expectations and the creation of Salesforce reports
- Meet metrics of calling and connecting with prospects and students each day while providing accurate guidance and information on program details
- Skilled in connecting applicants with resources that will provide deeper knowledge of the program to help them make an informed decision regarding their higher education options
- Helped onboard and train new admissions counselors through regular 1 on 1 meetings
- Coordinate weekly sessions for student-facing teams in order to foster collaboration and improve applicant and student success
- Exceeded goals for registered students for over 6 consecutive cohorts

Construction Assistant, Castro Construction, Erie, CO, September 2018 – September 2019
- Executed complete home renovations with an experienced construction crew
- Responded to bids and interest calls/emails from potential clients
- Assisted with scheduling appointments for the supervisor

PROJECT EXPERIENCE

Media Review
- Designed React UI and developed the project using SpringBoot and MongoDB.
- Allowed users to add novel recommendations and rate other user submissions..
